It is the sole discretion of the Organizer to exclude a Participant from the Game if the Participant has conducted any kind of manipulation, or behaviour that is incompatible with, or infringes, in any way whatsoever the spirit of the Game, e. g. participating in the Game as a team under the name of an individual in an attempt to fraudulently increase the chances of winning the Prize, including Participants who plan their activities together combining the performance of several individuals

under the name of one individual, as well as Participants who use more than one Instagram profile to increase their chances at winning, denying fair players the opportunity to succeed.

Participants engaged in unfair conduct as it is described in this section shall make good any damage caused to the Organizer in connection with the Game. The Organizer reserves the right to exclude from its present and future Games any Participants who attempt to gain advantage by hacking into the website of the Game, using bots or spamming software, or engaging in any other fraudulent activity.

5. Prize and draw

Winners are selected within five days of the end of the Game by a software generating a random outcome (www.random.org) out of all eligible Participants who responded to the question in a comment according to the game description. Draws will be conducted at the registered seat of the Organizer (H-1095 Budapest, Mester utca 21), and minutes will be taken of the procedure.

Number of Winners: 1+1 (and 2+2 reserves)

Announcement of results: within 24 hours after the draw

We will randomly select 1+1 Winners and 2+2 reserves. Reserves are ranked based on the order in which they are drawn. Reserves win the prize if the Winner of their category as well as the other reserve outranking them, if applicable, are excluded from the Game.

Prize: one travel package for each category

The travel packages (with a value of 350 EUR each) contain:

- 2 nights in a 4-star hotel in Budapest for 2 people (including breakfast)
- a half-day city tour in Budapest for 2 people

The packages do not cover the costs of transportation to Budapest and back home, nor any other costs incurred.

The accommodation and the tour can be booked for any agreed date with the exception of special periods (except national holidays and international events) no later than 20. December 2020.

All Participants who meet the three conditions specified in the rules and who are over the age of 18 during the Game are eligible to win the Prize.

Employees of travel agencies in a partnership with the Organizer can take part in an **extra draw** insofar as they follow the steps specified above and identify themselves in an email using the following method:

- 1.) writing a letter to qth@qth.hu from their company email with „I want to win” as the subject; and
- 2.) including in the body of the email the profile name used in the Game, and the name of the employee of the Organizer they work with.

The Prize is non-exchangeable, non-transferable, is not redeemable for cash, promotional offers, or other prizes, and may not be marketed or sold.

6. Information on receiving the Prize

The Organizer will announce the results of the draw in an Instagram post, and it will also direct message the Winners on Instagram.

Within 5 days of getting notified, the Participant shall contact the Organizer in a private message on Instagram, and provide the following details: name, mailing address, email address, and phone number.

After the Winner replies to the notification, the Organizer and the Participant shall agree on how and when the Prize can be redeemed, and the Participant shall provide any data to the Organizer necessary for the trip. No physical or postal exchanges of goods will take place.

The Participant agrees, and by taking part in the Game, expressly consents to the use of his or her name by the Organizer in the Instagram post announcing the Winners.

In case the Organizer finds that any information provided by the Winner is inaccurate or invalid, the Winner's Prize will be forfeited.

If (i) the Winner does not respond to the notification in the timeframe mentioned above, (ii) it is impossible for the Organizer to establish contact with the Winner, (iii) the Winner has been excluded from the Game because of failure to meet the conditions of the Rules of Participation, (iv) the Organizer refuses to hand out the Prize to the Winner, or (v) the Winner cannot receive the Prize within the timeframe described in these Rules, then the Winner has lost the opportunity to receive the Prize. The Organizer does not accept complaints sent after 5 days of the notification on exclusion.

After excluding a Winner, the Organizer notifies a reserve.

The Prize is non-transferable. If the Winner authorizes someone to receive the Prize on their behalf, that does not constitute the transfer of the Prize.

The Organizer will be liable for any taxes and contributions payable on the Prize (eg. PIT), but any other costs incurred (eg travel expenses necessary to claim the Prize) will be borne by the Winner.

7. Processing of data

The Participant acknowledges that by sending his or her personal data, he or she consents to the use of his or her personal data by Organizer – as it is described in these Rules of Participation.
